9.2 Court Order

The Receiver shall have been appointed pursuant to the Appointment Order, and this Agreement and the transactions contemplated hereby shall have been approved pursuant to the Approval Order, and shall not have been vacated, modified, reversed, appealed or stayed (except in the case of any modification, to the extent such modification is acceptable to Purchaser in its reasonable discretion).

If any of the foregoing conditions in this Article has not been fulfilled by Closing, either Party may terminate this Agreement by notice in writing to the other, in which event each Party is released from all obligations under this Agreement unless the other Party can show that the condition relied upon could reasonably have been performed by first-named Party. Either Party may waive compliance with any condition in whole or in part to the extent that the condition is to its benefit if it sees fit to do so, without prejudice to its rights of termination in the event of non-fulfilment of any other condition in whole or in part or to its rights to recover damages for the breach of any representation, warranty, covenant or condition contained in this Agreement.

During the period from the date of this Agreement to the Closing Time, the Vendor shall:

- (a) Continue Insurance – continue in force all policies of insurance maintained by or for the benefit of the Vendor relating to the Purchased Assets or the Business and give all notices and present claims under all insurance policies in a timely fashion, provided that the Vendor shall have no obligation to make any premium payments or fund other insurance-related costs during the said period unless same are pre-funded by the Purchaser;
- (b) Transfer of Purchased Assets – not, without the prior written consent of the Purchaser, transfer, assign, sell or otherwise dispose of any of the Purchased Assets or cancel any debts or entitlements relating to the Business except, in each case, in the ordinary course of business, or authorize, agree or otherwise become committed to do any of the foregoing;

10.2 Confidentiality

- (a) Prior to the Closing, the Purchaser shall keep confidential all information disclosed to it by the Vendor or its agents relating to the Business or the Purchased Assets, except information which:
 - (i) is part of the public domain;
 - (ii) becomes part of the public domain other than as a result of a breach of these provisions by the Purchaser;
 - (iii) the Purchaser is required to disclose pursuant to applicable Laws or stock exchange rules or by a Governmental Authority;

10.3 Public Announcements

Prior to the Closing Date, neither the Vendor nor the Purchaser, nor any of their respective affiliates or representatives, shall issue any press release or public statement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other party hereto (which consent shall not be unreasonably withheld, delayed or conditioned), unless such disclosure is required by applicable law or an order of the Court; provided, that the party intending to make such release shall give the other parties prior notice and shall use its reasonable commercial efforts consistent with such applicable law or order or obligation to consult with the other parties with respect to the text thereof.

10.4 Access

The Vendor shall afford to the officers, employees and authorized representatives of the Purchaser (including, without limitation, independent public accountants and attorneys) reasonable access during normal business hours to the offices, properties, employees and business and financial records (including computer files, retrieval programs and similar documentation) of the Vendor as the Purchaser shall reasonably request in writing from time to time and shall furnish to the Purchaser or their authorized representatives such additional information concerning the Purchased Assets and the operations of the Vendor as shall be reasonably requested, including all such information as shall be necessary to enable the Purchaser or its representatives to verify the accuracy of the representations and warranties contained in this Agreement, to verify that the covenants of the Vendor contained in this Agreement have been complied with and to determine whether the conditions in favour of the Purchaser have been satisfied. Without limiting the generality of the foregoing, Buyer shall be allowed to test the source code currently held in escrow for the Purchaser by the Vendor and interact with the licensors of the Third Party Licenses.

10.5 Contacts with Suppliers, Customers and Other Parties

Notwithstanding any provision in this Agreement to the contrary, prior to the Closing, the Purchaser and its representatives may, in consultation with the Vendor, but subject to the Vendor's consent, acting reasonably, contact, and discuss this Agreement and the transactions contemplated hereby with any Governmental Authority, and, with the participation of the Vendor, any Employees of the Vendor, and any supplier to, or customer of, the Business, and counterparties to any contracts.

10.6 Actions to Satisfy Closing Conditions

Each of the Parties shall take all such actions as are within its power to control, and use reasonable commercial efforts to cause other actions to be taken which are not within its power to control, so as to ensure compliance with each of the conditions and covenants set forth in Article 7, Article 8 and Article 10 which are for the benefit of any other Party.

Without limiting the generality of the foregoing, the Vendor shall as soon as practicable, and in any event, within two (2) Business Days following the date hereof, at its sole cost and expense, file with the Court a motion or other pleading, in form and substance reasonably acceptable to the Purchaser, seeking each of the Appointment Order and the Approval Order and the Vendor agrees to use its commercially reasonable best efforts to cause the Court to enter the Approval Order within five (5) days of the execution of this Agreement.

10.7 Release of Source Codes

The Purchaser acknowledges and agrees that source codes for the Software forming part of the Purchased Assets may be released to any customer of the Vendor that is a party to the source code escrow arrangement maintained by the Vendor with Iron Mountain Intellectual Property Management, Inc.

10.8 Vaspian Receivable

The Purchaser shall remit to the Vendor fifty percent (50%) of any and all amounts in excess of One Hundred Thousand Dollars (\$100,000) received by the Purchaser from Vaspian in payment of the Vaspian Receivable. For the avoidance of doubt, any compromise or forgiveness of the Vaspian Receivable by the Purchaser or use by the Purchaser of the Vaspian Receivable to acquire non-cash assets of Vaspian or use by the Purchaser of the Vaspian Receivable to credit bid for assets of Vaspian in a bankruptcy sale shall not create any payment obligation by the Purchaser to the Vendor hereunder.

10.9 Employees

The Purchaser has offered employment to those Employees listed in Schedule 10.9. For the avoidance of doubt, the Purchaser shall not have any liability for any other Employee of the Vendor, or for any Employee of the Vendor to which offer was made but has been rejected by such Employee, including liability for wages, vacation pay, benefits, pensions, severance pay or termination pay; before Closing, the Vendor (or the Interim Receiver, on the Vendor's behalf), shall terminate the employment of those Employees of the Vendor to whom an offer of employment is made and who have not accepted such offer.

The Purchaser shall be responsible for all termination pay, severance pay and all other post-closing costs, liabilities or obligations for the employees listed in Schedule 10.9 and shall indemnify and save the Vendor harmless in respect of all such payments, costs, liabilities or obligations.

10.10 Sales and Transfer Taxes

The Purchaser shall pay directly to the appropriate Governmental Authority all sales and transfer taxes, registration charges and transfer fees, other than the goods and services tax and harmonized sales tax imposed under Part IX of the *Excise Tax Act* (Canada) and any similar value-added or multi-staged tax imposed under any applicable provincial or territorial legislation, payable by it in respect of the purchase and sale of the Purchased Assets under this Agreement and, upon the reasonable request of the Vendor, the Purchaser shall furnish proof of such payment.

10.11 Goods and Services Tax and Harmonized Sales Tax

Subject to Section 10.12, the Purchaser shall be liable for and shall pay to the Vendor an amount equal to any goods and services tax and harmonized sales tax payable by the Purchaser and collectible by the Vendor under the *Excise Tax Act* (Canada), plus an amount equal to any similar value added or multi-staged tax imposed by any applicable provincial or territorial legislation, in connection with the purchase and sale of the Purchased Assets under this Agreement, and any interest and penalties in respect of any of the foregoing. The Purchaser and the Vendor shall make and file, in a timely manner, a joint election to have the rules in section 167 of the *Excise Tax Act* (Canada) apply to the supply of the Purchased Assets

10.12 Income Tax Elections

In accordance with the requirements of the *Income Tax Act* (Canada), the regulations thereunder, the administrative practice and policy of the Canada Revenue Agency and any applicable equivalent or corresponding provincial or territorial legislative, regulatory and administrative requirements, the Purchaser and the Vendor shall make and file, in a timely manner,

- (a) to the extent applicable, a joint election(s) to have the rules in section 22 of the *Income Tax Act* (Canada), and any equivalent or corresponding provision under applicable provincial or territorial tax legislation, apply in respect of the accounts receivable that are the subject of such election, and shall designate therein that portion of the Purchase Price allocated to the accounts receivable that are the subject of such election in accordance with the procedures set out in Section 3.5 of this Agreement as the consideration paid by the Purchaser to the Vendor; and
- (b) if applicable, a joint election(s) to have the rules in subsection 20(24) of the *Income Tax Act* (Canada), and any equivalent or corresponding provision under applicable provincial or territorial tax legislation, apply to the obligations of the Vendor in respect of undertakings which arise from the operation of the Business and to which paragraph 12(1)(a) of the *Income Tax Act* (Canada) applies. The Purchaser and the Vendor acknowledge that the Vendor is transferring assets to the Purchaser which have a value equal to the elected amount as consideration for the assumption by the Purchaser of such obligations of the Vendor.

The Purchaser and the Vendor shall prepare and file their respective Tax Returns in a manner consistent with the aforesaid elections. If a Party fails to file its Tax Returns in such manner, it shall indemnify and save harmless the other Party in respect of any resulting Taxes, legal and /or accounting expenses paid or incurred by the other Party.

10.13 Submission to Jurisdiction

- (a) Each Party submits to the exclusive jurisdiction of any Ontario courts sitting in Ottawa in any action, application, reference or other proceeding arising out of or relating to this Agreement and consents to all claims in respect of any such action, application, reference or other proceeding being heard and determined in such Ontario courts. Each of the Parties irrevocably waives, to the fullest extent it may

effectively do so, the defence of an inconvenient forum to the maintenance of such action, application or proceeding.

- (b) The Parties shall not raise any objection to the venue of any action, application, reference or other proceeding arising out of or relating to this Agreement in the Ontario Courts sitting in Ottawa, including the objection that the proceedings have been brought in an inconvenient forum.

A final judgment in any such action, application or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner specified by law and must not be re-litigated on the merits.

10.14 No Shop

Neither the Vendor nor any of its securityholders, directors, officers, employees, affiliates, advisors, representatives or agents shall, directly or indirectly, solicit, encourage or initiate any discussions or negotiations with, participate in any negotiations with, accept any proposal for or provide any information to, otherwise cooperate in any other way with or facilitate or encourage any effort or attempt by any party other than the Purchaser and its directors, officers, affiliates, representatives and agents concerning any competing transaction which would interfere or potentially interfere with the Transaction.

10.15 Notice of Untrue Representation or Warranty

The Vendor shall notify the Purchaser, and the Purchaser shall notify the Vendor, promptly upon any representation or warranty made by it contained in this Agreement becoming incorrect prior to Closing, and, for the purposes of this Section 10.15, unless otherwise specified, each representation and warranty shall be deemed to be given at and as of all times from the date of this Agreement to the Closing Date. Any such notice shall set out particulars of the untrue or incorrect representation or warranty and details of any actions being taken by the Vendor or the Purchaser, as the case may be, to rectify the incorrectness. No such notice will relieve either Party of any right or remedy provided for in this Agreement.

ARTICLE 11 TERMINATION

11.1 Termination

This Agreement may be terminated at any time prior to the Closing Date:

- (a) by the written mutual consent of the Parties;
- (b) by the Purchaser if the Closing shall not have occurred within thirty (30) days of entry of the Approval Order, for any reason, including without limitation, if any condition to Closing has not been satisfied as of such date and such condition has not been waived by the Purchaser;
- (c) by the Purchaser in the event of any material breach by the Vendor of any of the Vendor's covenants or agreements contained herein, or if any representations or

warranties contained herein is or becomes untrue and the failure of the Vendor to cure such breach or untruth, as applicable, within ten (10) days after receipt of written notice from the Purchaser requesting such breach or untruth, as applicable, to be cured;

- (d) by the Vendor in the event of any material breach by the Purchaser of any of the Purchaser's covenants or agreements contained herein, or if any representations or warranties contained herein is or becomes untrue, and the failure of the Purchaser to cure such breach or untruth, as applicable, within ten (10) days after receipt of written notice from the Vendor requesting such breach or untruth, as applicable, to be cured;
- (e) by either party (provided that the terminating party is in compliance with its covenants and agreements hereunder in all material respects), at any time on or after (i) the date that the Court denies the motion for the Approval Order; (ii) the date the Approval Order is not approved by the Court or is materially or adversely modified; (iii) the thirty-first (31st) day following the date of this Agreement, if the Approval Order has not been entered by the Court as of the time of such termination; or (iv) at any time following the stay or reversal of the Approval Order by a court of competent jurisdiction, and such stay or reversal is not reversed, revoked, voided or vacated within forty five (45) days thereof; but the right to terminate this Agreement under this Section shall not be available to the Purchaser if the failure of any such order not being entered is solely the result of the failure by the Purchaser to perform its obligations under this Agreement;
- (f) by either party (provided that the terminating party is in compliance with its covenants and agreements hereunder in all material respects), if prior to the Closing the Court enters an order inconsistent with the completion of the Transaction; or
- (g) by either Party if any Governmental Body with jurisdiction over such matters shall have issued an order or injunction restraining, enjoining, or otherwise prohibiting the sale of the Purchased Assets and such order, decree, ruling, or other action shall have become final and non-appealable.

11.2 Notice of Termination

Any Party desiring to terminate this Agreement pursuant to Section 11.1 shall promptly give notice of such termination to the other Party to this Agreement specifying the provision hereof pursuant to which such termination is made.

11.3 Effect of Termination

APPROVAL AND VESTING ORDER

THIS MOTION, made by PricewaterhouseCoopers Inc. in its capacity as the Court-appointed interim receiver and receiver and manager (the “Receiver”) of the undertaking, property and assets of Natural Convergence Inc. (the “Debtor”) for an order approving the sale transaction (the “Transaction”) contemplated by an asset purchase agreement dated July 30, 2009 (the “Asset Purchase Agreement”) between the Debtor and Broadview Networks, Inc. (the “Purchaser”) and appended to the Report of the Receiver dated July 30, 2009 (the “Report”), and vesting in the Purchaser the Debtor’s right, title and interest in and to the assets described in the Asset Purchase Agreement and described under Schedule “B” (the “Purchased Assets”), was heard this day at 161 Elgin Street, Ottawa, Ontario.

ON READING the Report and on hearing the submissions of counsel for the Receiver, and on reading the consents filed on behalf of the Respondent and its secured creditors:

1. THIS COURT ORDERS that the time for service of the Notice of Motion and the Motion Record is hereby abridged so that this motion is properly returnable today and hereby dispenses with further service thereof.
2. THIS COURT ORDERS AND DECLARES that the Transaction is hereby approved, and that the Asset Purchase Agreement, including the purchase price thereunder, is fair, commercially reasonable and in the best interests of the Debtor and its stakeholders. The execution of the Asset Purchase Agreement by the Debtor is hereby authorized and approved, and the Receiver is hereby authorized and directed to adopt the Asset Purchase Agreement, and to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.
3. THIS COURT ORDERS AND DECLARES that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as Schedule A hereto (the "Receiver's Certificate"), all of the Debtor's and the Receiver's respective right, title and interest in and to the Purchased Assets shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "Claims") including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice presiding over the present motion; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on Schedule D hereto (all of which are collectively referred to as the "Encumbrances", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on Schedule C) and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.
4. Upon the registration in the Registry Office of a copy of the Asset Purchase Agreement and this Order, the Registrar is hereby directed to enter the Purchaser as the owner of the subject

intellectual property identified in Schedule B hereto (the "IP"), and is hereby directed to delete and expunge from title to the IP all of the Claims listed in Schedule D, if any

5. THIS COURT ORDERS that for the purposes of determining the nature and priority of the Claims, the net proceeds from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

6. THIS COURT ORDERS AND DIRECTS the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

7. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "10.9" to the Asset Purchase Agreement. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.

8. THIS COURT ORDERS that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of the Debtor and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of the Debtor;
